Sub : Request to use the Gas Go-down gate by School Children/ Parents

I want to draw your kind attention on the matter that the number of Institute students are increasing day by day. At present there are 16,000+ students in IIT Kharagpur. To fulfil the needs of the students in r/o their movement, our IIT buses are plying in the campus frequently to pick up and drop the students from various Hall of Residences to their respective department / classroom area. Due to the increasing movement of the students, faculty and staff, our roads in IIT Kharagpur are getting more crowdly constantly. In view of above, it has been decided by the Competent Authority that all vehicles (Four-wheeler & Two-wheeler) carrying School Children will enter / exit to the Campus through Gas Godown Gate **w.e.f. 13<sup>th</sup> November 2023**. The decision has been taken considering the traffic congestion at various roundel / junctions / roads inside Campus due to Institute Student's movement.

To ensure the safety of everyone, we urge parents to plan their routes accordingly and use the Gas Go-down Gate for dropping and pick up their children. School Buses / Van operators are also advised to adjust their route accordingly to avoid any inconvenience.

So, in order to address the needs, it is my humble request to circulate this information / guideline among all the parents and school children to use the Gas Godown Gate for their daily commute to the school.

We understand that this change may cause some inconvenience, but it is essential for the well-being of our campus community and students.

Your co-operation in this regard will be highly appreciated.

Thanking You

Sincerely

*(Signature)* 02/11/2023
